Forecast For Wales
Issued by Met Office Exeter
at 1600 on Saturday 14 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Some further rain and drizzle overnight in western areas.

This Evening and Tonight:
Initially dry through the evening for most, but further rain arrives into the night. Eastern parts of the country will remain dry, however. Rain easing towards dawn. Overnight fog developing across western and central valleys. Minimum temperature 14 deg C (57 deg F).

Sunday:
Most will see scattered showers through the morning, these becoming more grouped across southern areas in the afternoon. Turning dry again by night. Maximum temperature 20 deg C (68 deg F).

Outlook for Monday to Wednesday:
Dry for most with sunny spells on Monday. Rain slowly progressing southwards through the country through Tuesday. Becoming largely dry with some bright spells again on Wednesday.
